

THE AMERICAN ENERGY GROUP, LTD. ANNOUNCES ACTIVATION OF WEBSITE

Westport, Connecticut. February 15, 2005

The American Energy Group, Ltd. (OTC.BB: AEGG) announced today that it has activated its website. The website can be accessed at www.aegg.net. The design and activation was accomplished with the assistance of Swiss Commerce E-Business Services. Swiss Commerce specializes in integrating business dynamics via the internet and maintains offices in Europe and headquarters in New York. Swiss Commerce's clients range from small businesses to publicly traded firms.

Mr. Pierce Onthank, President of The American Energy Group, Ltd., stated: "We believe the activation of the website will provide an expanded platform for important shareholder communications, as well as provide a ready source of information about the Company to interested members of the general public. In the coming weeks as the drilling in Pakistan begins, we expect to add additional informative features and activity updates."

This news release contains forward-looking statements. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events, or performance and underlying assumptions and other statements, which are other than statements of historical facts. These statements are subject to uncertainties and risks including, but not limited to, economic conditions, the impact of competition and pricing, and domestic and foreign government regulation and approvals. All such forward-looking statements, whether written or oral, and whether made by, or on behalf of the Company are expressly qualified by the cautionary statements and any other cautionary statements which accompany the forward-looking statements. In addition, the Company disclaims any obligation to update forward-looking statements to reflect events or circumstances after the date hereof.
